Then travel west into the majestic Canadian Rockies and beautiful Banff National Park where you'll spend the next two nights. Have an orientation tour upon arrival.

Day 3 :- Banff National Park

Enjoy your day exploring Banff, one of Canada's favorite year-round resorts, with summer activities including hiking, horseback riding, golfing, and fishing. Your Tour Director will have lots of suggestions. Lift your sights higher on an exhilarating optional helicopter ride with spectacular views over the Canadian Rockies. Or if you prefer staying closer to the ground, join the Panoramas & Peaks* optional excursion to breathtaking Moraine Lake in the famed Valley of the Ten Peaks.

*This optional excursion begins operating in early June.

Day 4 :- Banff National Park - Lake Louise - Columbia Icefield - Jasper National Park

As we journey north, view precipitous gorges, snowcapped mountain ranges, and lakes of exquisite blues and greens. Stop at Lake Louise, its turquoise waters perfectly mirroring the surrounding mountains and glaciers. Continue to the Columbia Icefield to experience a ride on the Ice Explorer, an all-terrain vehicle that travels on ice measuring 750 feet thick! Winding our way up the western fringe of Alberta, our journey takes us through some of the Canadian Rockies' most breathtaking wilderness. Later, go with the flow on an optional float trip down the Athabasca River. Arrive in Jasper and take an orientation tour that showcases the area's unspoiled beauty.

Day 5 :- Jasper National Park

Make your day magical with an optional narrated cruise on the gorgeous blue waters of Maligne Lake and see much-photographed Spirit Island*. The balance of the day is free to enjoy everything Jasper has to offer, from guided hikes and quaint shops to meandering wildlife.

*This optional excursion begins operating in late May/early June.

Day 6 :- Jasper National Park - Mount Robson - Prince George

Depart Jasper and follow the Fraser River to the base of Mount Robson, the highest of Canada's Rockies at almost 13,000 feet. Continue to Prince George, the province's "northern capital" for an overnight stay.

Day 7 :- Prince George - Smithers - Via Rail the Skeena - Prince Rupert

Today board VIA Rail's Skeena train for the trip of a lifetime. Sit back and enjoy an all-daylight journey that winds its way through the majestic Coast Mountains and follows the mighty Skeena River—often referred to as the "River of Mists." Retrace the steps of the ancient First Nations trading routes and follow the paths of the earliest fur traders. Along the way, keep an eye out for soaring bald eagles, black bears, moose, and other wildlife. Disembark in Prince Rupert for a two-night stay.

NOTE:

Train travel is subject to unforeseen delays.

Day 8 :- Prince Rupert

After an orientation of Prince Rupert, enjoy a visit to the North Pacific Cannery National Historic Site for a guided tour of British Columbia's oldest cannery village. Learn of the canning process and what life was like in the village in the last century during peak production. The remainder of the afternoon is at leisure.

Day 9 :- Prince Rupert - Inside Passage Cruise - Port Hardy

Early this morning, embark on one of the world's most beautiful ocean voyages! The scenery is spectacular, with towering mountains, roaring waterfalls, endless islands, and virgin rainforests. Marine life abounds, often with sightings of sea lions and porpoises—you may even spot a killer whale! Late-evening arrival into Port Hardy.
