## **Day 6 :- Xi'an - Chengdu**

Spend a free morning in Xi'an then board a bullet train in the afternoon to Chengdu. After getting settled at the hotel, join an orientation walk around the city. In the evening sit down for a Hotpot dinner with the group.

Hotpot is a very local way to have a meal. We sit around a table with a pot built in the middle – the pot is divided into 2 halves (spicy vs. non-spicy usually). The restaurant's flavoured soup is added and brought to a boil, then we can start adding our food in the pot to cook (including vegetable, meat or fish). The table also offers various sorts of herbs, spices, oil etc so you can make your own soup to taste.

Enjoy a morning visit to see pandas at the Giant Panda Breeding Research Base. Witness the conservation efforts being made to save this endearing species. In the afternoon, return to Chengdu by bus. Your trip ends on arrival in Chengdu.
