Tour Itinerary

TROMSO (EMBARKATION) :- TROMSO (EMBARKATION)

In the north of the Arctic circle you'll discover **Tromsø**, a secluded town located in the county of Troms. Norwegians call it the "Paris of the north". You'll soon see why when you discover its extensive neoclassical architectural heritage. A stunning example is the **Arctic cathedral**, a major monument whose stylistic purity echoes the outline of the mountains surrounding the town.

HONNINGSVAG :- HONNINGSVAG

If you feel like you have arrived at the end of the world in **Honningsvåg**, it is because this is the case. Halfway between Oslo and the North Pole, it competes with **Hammerfest** for the status of "the northernmost town in Continental Europe". Colourful houses light up this charming and typically Norwegian fishing port nestled in the hollows of the region's mountainous terrain. Travellers come to stay in the village to go to the **North Cape**. At the end of the road, you will see the globe that indicates that you are at the very end of Europe. At this point, only the Svalbard archipelago separates you from the North Pole. There is sea as far as the eye can see. The Northern Lights, the view of the immense cliff plunging into the sea, the thousands of puffins, gannets and cormorants that spin around you: everything here is grandiose.

SAILING ALONG BJORNOYA (BEAR ISLAND) :- SAILING ALONG BJORNOYA (BEAR ISLAND)

Halfway between Norway and Spitsbergen, you will sail not far from the coastlines of **Bjørnøya**, the southernmost island of Svalbard. From your ship, observe this isolated piece of land discovered in 1596 by the Dutch navigator Willem Barents, then looking for the Northwest Passage. Following a tough fight between a polar bear and the members of the expedition, he dubbed the place **Bear Island**. Regularly covered by a thick layer of fog, Bjørnøya shelters a meteorological station built in 1923, which is still in operation. Declared a **nature reserve** in 2002, the island is above all home to an **enormous colony of sea birds**: skuas, guillemots, puffins, Tridactyl gulls, petrels, gulls and little auks all coexist here.

ALTA :- ALTA

Beyond the Arctic Circle, **Alta**, in the far north of Norway, is the biggest city in Finnmark county. Alta will reveal itself to you at the end of the eponymous fjord, Altafjorden. The region offers a mix of forest, mountainous and coastal landscapes. It is on the verge of obtaining the "sustainable destination" label, a national label awarded to destinations that are committed to a sustainable approach to tourism for the long term. Alta invites you to experience unique moments, whether meeting the **Sami people** ? reindeer herders who have ancestral traditions and yet embrace modernity ? or during walks, snowshoe hikes or dog sledding, depending on the season.

HARSTAD :- HARSTAD

Beyond the Arctic Circle, north of the Norwegian Sea and at the gateway to the Vesterålen archipelago and the sumptuous Lofoten islands, **surprising Harstad** enjoys an extraordinary natural setting. A favoured destination for its gentle way of life, the small town and surrounding area are a concentrate of the northern Norway's finest features: **majestic coniferous forests, rugged mountains, bewitching fjords and preserved archipelagos**. As inhospitable as they are magnificent, these lands still bear traces of **the Bronze Age**. For example, work tools, jewels and cairns sheltering many tombs that date back several millennia have been discovered during archaeological excavations.

LEKNES, LOFOTEN :- LEKNES, LOFOTEN

Way beyond the Arctic Circle, **Lofoten Islands** are truly considered to be in "another world". A jewel of nature in its most pristine state, this archipelago with its jagged coastline offers you majestic settings of high alpine summits, sandy beaches, green prairies and fjords of a deep blue, where countless bird colonies make their nests. Whether you visit Å, or Nusfjord, listed by UNESCO, enjoy authentic and memorable moments.

NARVIK :- NARVIK

Beyond the Arctic Circle, you will discover **Narvik**, nestling in the heart of impressive mountains that plunge into the Ofotfjord. It is on the verge of obtaining the "sustainable destination" label, a national label awarded to destinations that are committed to a sustainable approach to tourism for the long term. You will be mesmerised by its scenery. From Narvik, it is possible to take the Ofoten Line towards Sweden. This historic railway once linked the mineral-rich mines of Kiruna in Sweden to the ice-free port of Narvik. You will experience unique moments whether meeting the Sami people ? reindeer herders who have ancestral traditions and yet embrace modernity.
