History is never far from mind in Hiroshima, thus the city has created one of the most important and breathtaking memorials in the world, the Hiroshima Peace Memorial Park and Museum. Statues, halls, and monuments at this World Heritage Site honor those who fell in World War II. As one of Japan's largest islands, Hiroshima also offers rich natural beauty and a myriad of outdoor activities like biking, hiking and beaching. Oysters (usually grilled) serve as an additional fresh and delicious culinary draw.
