Tour Description

Escape to the South Pacific aboard the MS Paul Gauguin—an overwater “bungalow” that sails—and discover more of Tahiti’s enchanting beauty with intimate perspectives and deeper immersion. On a ship designed for these waters, you’ll fall in love with butler-service suites and spacious staterooms—most with private balconies—exceptional cuisine, and the genuine hospitality of an award-winning crew. <https://youtu.be/dznOlnD5RQw?si=Iz2HPMutHeoflkdz> countries:Brands
