Tour Description

After a boat cruise on the beautiful Zambezi River and a mist-ifying encounter with mighty Victoria Falls, devote a full five days to exploring Botswana's Okavango Delta — home to an estimated 9,000 species of flora and fauna — on a thrilling adventure that reveals a lush, diverse ecosystem prowled by many of Africa's most iconic species. Wallowing hippos, basking crocodiles, Cape buffalo shoulder-deep in the water, leopards sizing up their next meal — countless wild creatures are yours to discover on twice-daily safari drives. Cap off this spectacular ready-to-book journey with stays at unforgettable Sussi & Chuma Lodge, Stanley's Camp and Chief's Camp, all part of the chic A&K Sanctuary collection.
